

## CSC User Agreement

I have read and understood the usage policy of July 2022, and I agree to use my account on the CSC network in accordance with this policy. I am responsible for all actions taken by anyone using this account. Furthermore, I accept full legal responsibility for all of the actions that I commit using the CSC network according to any and all applicable laws.

I understand that with little or no notice machines on the CSC network and resources on these machines may become unavailable. Machines may “go down” while users are using them, and I will not hold the CSC responsible for lost time or data.
